## Your CDL or CID can not be used to meet this Regulation!!

Handgun buyers must have additional Proof Of Residency (POR) to meet CA regulations. This POR must meet the following requirements and be on the approved list of documents. Unfortunately the CA Department of Justice knows that many people forget to notify the DMV when they move, so they will not allow us to take a CDL as the only proof of residency when buying a handgun.

- Purchaser's Full Name (Suffixes are required Jr., II, III & Sr.)
- A Qualifying Address (either)
  - Buyer's current, "actual," residential address as required on 4473 & DROS

  - Buyer's address as it appears on his or her Ca Driver License or ID
